

PRAYER FOR *Peace*

"You will keep in perfect peace those whose minds
are steadfast, because they trust in You."

Isaiah 26:3

Heavenly Father,

You are my Prince of Peace, and You calm every storm.
I come to You today, laying down every worry, fear,
and concern at Your feet.

Lord, fill my heart and mind with Your perfect peace.
Help me to trust You in every season, knowing that
You are in control. When anxiety tries to rise,
remind me of Your promises and Your presence.

Give me peace in my relationships, peace in my home,
peace in my decisions, and peace in my future.
Guard my heart and mind in Christ Jesus.

Teach me to rest in You, to let go of what I cannot
change, and to hold on to Your unchanging hands.
Help me to walk in Your peace and to be an
instrument of peace to others.

Thank You, Lord, for being my peace, my refuge,
and my strength. I receive Your peace today
and every day.

In Jesus' name,

Amen
